PRESIDENT'S LETTER

Aloha HCPC Ohana 🌸

Thank you members who attended the February meeting! Thank you for your flexibility, cooperation, and continued support! Everyone working together to clear the room and the parking lot, for the funeral service that was scheduled that day, was teamwork at it's BEST!! I hope the service went well and the family wasn't too hard on the Mountain View staff!!

We appreciate Mountain View Funeral Home for their never-ending generosity and graciousness, for these past six years, giving HCPC the perfect meeting space and allowing us to grow our membership into what it is today, over 210 members!! INCREDIBLE you guys....just INCREDIBLE!! The board has been looking at possible new meeting spaces for some time and I think we may have nailed it. We will be trying a NEW LOCATION FOR THE APRIL MEETING - please watch for details.

We look forward to seeing all of you this week for our MARCH meeting at Mountain View. We will hear what's happening with our Sponsors; Real Estate 55+ Meeting Sponsor, Continuum Care Hospice Breakfast Sponsor and Concierge Care Advisors Beverage Sponsor - THANK YOU Sponsors!!

Lastly, look for upcoming vendor and sponsorship opportunities for the Parkinson's Conference and the All-Star Caregiver Awards Dinner. Have you, your families, or your teams submitted their favorite Caregivers nominations?? Make sure that special caregiver that stands out gets recognized!!

A hui hou

Share Your Story About Bob Riler

The Bob Riler Community Service Award Committee is asking for your help! We would like those of you that knew Bob to record a short statement or story about how he served seniors or about interactions you had with him at meetings or events. We will have the equipment available at the March 14th meeting. The purpose of this is to help the members that didn't know Bob gain a better understanding of what qualities we are looking for in the nominees for the award.

The **National Aging in Place Council®** is a senior support network. We work together to solve your problems. NAIPC® was founded on the belief that an overwhelming majority of older Americans want to remain in their homes for as long as possible, but lack awareness of home and community-based services that make independent living possible. Our members are experts in healthcare, financial services, elder law, design and home remodeling. We are dedicated to helping meet the needs of our aging population, and assist you so that you can remain independent in the housing of your choice.
