Share Your Story About Bob Riler

The Bob Riler Community Service Award Committee is asking for your help! We would like those of you that knew Bob to record a short statement or story about how he served seniors or about interactions you had with him at meetings or events. We will have the equipment available at the June 13th meeting. The purpose of this is to help the members that didn't know Bob gain a better understanding of what qualities we are looking for in the nominees for the award.

The **National Aging in Place Council®** is a senior support network. We work together to solve your problems. NAIPC® was founded on the belief that an overwhelming majority of older Americans want to remain in their homes for as long as possible, but lack awareness of home and community-based services that make independent living possible. Our members are experts in healthcare, financial services, elder law, design and home remodeling. We are dedicated to helping meet the needs of our aging population, and assist you so that you can remain independent in the housing of your choice. Contact Rebecca Rainsberger at 253-509-2340 if you are interested in joining!
