DECEMBER  
**Support Group**

Understanding Hospice for Dementia: When Is the Right Time? You may know the word "hospice," but its role in dementia care is often far more supportive than people realize. Join us for our free monthly Dementia Support Group. Families, friends and prospects invited.

This month, the Envision Hospice team will clarify hospice eligibility, explain the unique ways hospice supports quality of life for those living with dementia, and help reduce fear, confusion, and common misconceptions.

After the presentation, we'll move into a round-table discussion for any thoughts, questions, or experiences. Complimentary oversight, snacks, and activities will be provided for your loved one with dementia during the group.
